

AMBLER WHITPAIN TROJANS YOUTH FOOTBALL

The Ambler Whitpain (AW) Trojans is a non-profit organization that is committed to providing a positive and safe youth football and cheerleading experience for the boys/girls in our community. The AW Trojans is a volunteer run organization and has a dedicated group of parents and volunteers that devote countless hours and energy into making this organization a success.

The AW Trojans are dedicated to the safety of our children and require all coaches to complete the **USA Football Heads Up** certification requirements. In addition to education, AW Trojans provides our players with new or reconditioned equipment as needed.

As much as we rely on our coaches and volunteers to help us maintain the high level of safety, we look for the support of our community members and businesses to help raise money to support our efforts. We thank you in advance for your consideration in becoming a sponsor for the Ambler Whitpain Trojans 2018 season. Your sponsorship will help us ensure that we can continue to provide our players with safe equipment and well-maintained fields and facilities.

Your partnership with Ambler Whitpain Trojans directly benefits the future of our young participants. Playing youth sports is an important part of a child's development. Physical activity is essential for healthy and optimal growth, through childhood and early adulthood. Youth sports provide many opportunities for a physically active routine. Boosting the well-being of kids through this time can help your community's future, as children who participate in such activities are better adjusted as they enter adulthood, with plenty of life skills and lessons under their belts. Finally, being involved in youth sports either as a child or as a parent can help build community awareness and appreciation.

AMBLER WHITPAIN TROJANS YOUTH FOOTBALL
